MODERN & ELEGANT ROOFING

The Shake Panel Series offers a modern take on a classic roofing style, the wood shake roof. Constructed of high quality, durable steel, the Shake Panel series offers a unique, beautiful look, with unmatched durability and performance.

METAL SHAKE SERIES

ROOFING AS BEAUTIFUL AS IT IS DURABLE

The Metal Shake Series is offered in two unique finish styles and eight standard colors (custom colors are available). Each finish option is made of the same high-quality, 24 gauge steel or .032 aluminum at our Midwest manufacturing facility, custom designed for your home!
