## HISTORICAL

### LOOK IN MODERN METAL

The Metal Tile Panel Series provides the aesthetic value of natural clay tile, at a fraction of the weight and cost. The Metal Tile Panel series offers unique and beautiful roofing options, while providing the same long-term roofing performance as traditional clay tile, without the required regular maintenance.

MMR

MODERN  
METAL ROOFING

The Metal Tile Series is offered in two unique finish styles and eight standard colors (custom colors are available). Each finish option is made of the same high-quality, 24-gauge steel or .032 aluminum at our Midwest manufacturing facility. Our patented powder coating option offers superior protection to the finish, the strongest in the industry!
